# What is FOODHUB?

FOODHUB, is the free and user-friendly online hub creating connections between Occitanie producers and worldwide buyers.

Find the best producers from Sud de France and Occitanie Region on FOODHUB and discover a complete range of Occitanie products: savory and sweet delicatessen, meat and poultry, oils, dairy, seafood, beverages, fruits and vegetables!

## KEY Figures

 **450 producers**

 **more than 4 000 products**

 **Almost 500 buyers**

 **40 countries**

**Sud de France,** the recognition brand of Occitanie products.

With more than **1,500 member companies** and **10,000 approved products**, Sud de France offers a complete and representative range of products from the Occitanie Region..

## What is FOODHUB used for?

FOODHUB, First of all, Foodhub is a huge BtoB database

- **Producer profiles and product datasheets**

Discover the profiles and details of more than Occitanie 450 producers and 4,000 products databases.

Download and print for free producers/products profiles that you are interested in.

- **Sourcing and product watching**

Upgrade your sourcing and make your product watching easier thanks to an efficient and multi-functional search engine.

- **Confidentiality**

Perform your sourcing in complete confidentiality: producers can access to your details only under your authorization.

FOODHUB, is also a Business Hub!

- Publish your tenders in real time and be instantly visible to our producers.

- Be the first to take advantage of promotional offers and new products proposed by our producers.

- Prepare your business trip: thanks to Foodhub, plan your route, create your listing of target products and select the producers who you want to meet.
